To

Sir,

I have the honour to forward herewith in original for submission to Government a representation from Mr. Mahomed Ismail Sheriff, Assistant Commissioner, Tarikere Sub Division praying for a suitable recognition of the extra services rendered by him while at Chitaldrug received through the Deputy Commissioner Kadur District.

2. The prayer of Mr. Ismail Sheriff deserves favourable consideration as he was doing excise work in addition to his duties as Treasury Officer and Personal Assistant to the Deputy Commissioner with great enthusiasm and interest.

I have the honour to be,

Sir,

Your most obedient servant,

A K Syed Tajpeeran

Deputy Commissioner.

D.O. No. 13.
23-24.

Office of the Assistant Commissioner,
Tarikere Sub-Division.
Dated Tarikere, 3rd November 1923.

From

Mahomed Ismail Sheriff, Esq., B.A.,
Assistant Commissioner,
Tarikere Sub-Division.

To

G. Krishnaswami Rao, Esq., B.A.,
Deputy Commissioner,
Kadur District.

Sir,

I respectfully beg to submit the following for the kind and benign consideration of the Government.

DC. 943
23-24.
Dis 537
23-24.

I was entrusted with the work of the District Excise Office in addition to my usual work of the District Treasury; Magisterial as well as the District Office work (in the capacity of Personal Assistant) during the period 15th June to 21st August 1922 and then again with effect from 16th October to 15th December 1922. I had also to be in charge of the District Lock up with effect from 26th July 1922 to 4th September 1922, as no Gazetted Medical Officer was available in Chitaldroog.

All the above work was in addition to my own work which comprised of the District Treasury, Magisterial work and District Office which was very heavy especially, as it was the time when annual accounts, returns etc., had to be submitted and the Dewan Saheb's visit was impending.

The work of the District Excise Office also was at its heaviest pressure. The sales had just taken place - and correspondence, cancellation and again holding of --- resales, taxed one's mind and intelligence to the utmost - in handling a situation full of financial consequences. -- The work in the office had accumulated enormously and then

then to add to it came the retrenchment orders necessi-
-tating immediate retrenchments and the same had to be
done with great consideration, tact and so as to cause
the minimum amount of dislocation and to allay
the fears of the working staff and there was need to -
replace some bad and inefficient people also. This -
was a difficult task and more so in my case, who had -
no experience of this work and who had many other -----
equally if not more important offices to manage. I had
to acquaint myself with the work, rules etc., and to -
do the work immediately as there was no time to be lost
even in thinking.

Yet, with the kind guidance and encouragement of
Mr.A.K.Syed Taj Peeran, the then Deputy Commissioner, I
applied myself to the task and the Deputy Commissioner
Sahib was more than once pleased to observe that I had
given better satisfaction than he expected and that I -
had worked more and in a far more intelligent and tact-
-ful manner, than even a full time Officer could have -
done. My District Office, Treasury, Magisterial and -
Lock-Up work continued to be as satisfactory as ever to
bring about this result. I have had to work some times
not less than 18 hours a day. It may also be submitted
that though not less than 26 memos had had to be passed
in the re-organisation of the whole Office and Executive
staff. Yet, there has not been a single case of hard-
-ship or complaint to any one and the Government ----
retrenchment orders were given effect øto without any -
delay.

In the latter part of my charge that is (16th -
October to 15th December) there was the work of conso-
-lidation of the work turned out previously and the --
utilisation and distribution of the existing staff in -
the best possible manner to ensure efficiency. The --
whole

whole office was overhauled and the efficiency of the -- office greatly increased and all the arrears cleared ----- completely.

I learn that Government generally in such cases, -- grant a charge or duty allowance whenever any of their --- officers is called upon to do the work of more than his -- usual office, as a mark of their appreciation and there - xx are many cases and precedents, even at the present day when this had been done. During the period of my charge of the District Excise Office, the Government has saved the expenses of the pay of one Gazetted Officer and as it will be evident from the above, the work had not in any way, --- suffered, but only improved.

I therefore, request, Sir, that you may kindly --- submit this for the kind orders of the Government with --- your kind recommendation. I claim this and value it only as a mark of the appreciation of Government of my extra -- hard work during the period in question.

I beg to remain,

Sir,

Your most obedient servant,

W Jamail Shervani

Assistant Commissioner,

Tarikere Sub-Division.
